VI. Female Department.

The Ladies occupy a separate room, under the care of the Preceptress, from whom they receive instruction in the Ornamental Branches. They are also permitted to pursue any of the branches in the above course, under the direction of the Gentlemen Teachers.

Terms and Vacations.

The academic year is divided into two Sessions, of twenty-two weeks each: One beginning on THE FOURTH THURSDAY IN AUGUST—the other, on THE SECOND THURSDAY IN FEBRUARY, leaving six weeks for a Summer, and two weeks for a Winter vacation. Each Session is subdivided into two Quarters, of eleven weeks each, without any vacation between them.

EXPENSES.

Tuition per Quarter of Eleven Weeks.

Common English Branches and History, - - -	$3,00
Latin and Greek Languages, Mathematics and Book-Keeping,- - - - - - - - - - -	$4,00
All other branches,- - - - - - - - - -	$5,00

Each Student is charged 25 cts. per quarter for contingencies.

BOARD can be had in private families, for any number, at a price varying from $1,50 to $2,00 per week, in proportion to the conveniences required.

ARRANGEMENTS have been made recently with Rev. A. W. CUMMINGS, one of the Teachers, to receive the Young Masters from abroad into his Family, and exercise over them parental control. The price of Board, Washing and Lodging, will be $1,50 per week, or $100 per academic year, for Board, Washing, Lodging, Lights, Fuel, Tuition, Books and Stationary.

LECTURES will be delivered, gratuitously, on the NATURAL, INTELLECTUAL, and MORAL SCIENCES.

It is exceedingly desirable for all Students to begin with the Quarter, and continue to its close. Classes are formed, in all the branches, at the commencement of each Quarter; and those who enter subsequently, must suffer great inconvenience, from being in the rear of their classes. Students will however be admitted, and be permitted to leave at any time; only that Tuition will in no case be charged for less than half a Term.

All the necessary BOOKS can be had in the Village of Gouverneur as low as at any Book Store in the country.

N. B. A TEACHERS' CLASS will be formed at the commencement of every fall and spring term; in which the members will be *thoroughly* instructed, in all the branches taught in common schools. They will also be taught by Lectures the elements of correct School Discipline—the best mode of teaching particular branches—the most successful stimulants to uneducated minds, &c.; and no Student will receive a certificate of competency to teach until he has sustained a rigid and satisfactory examination. ALL WHO INTEND TO ENTER THIS CLASS ARE URGED TO BE PRESENT AT ITS FORMATION: VIZ. ON THE FOURTH THURSDAY IN AUGUST, OR ON THE SECOND THURSDAY IN FEBRUARY.

Buildings, Apparatus, Library, &c.

It is well known that our only Academic Building was destroyed by fire on the night of the 1st of January last! But instead of relaxing their efforts on account of this *great calamity*, the friends of the Institution have devoted themselves to its interests with redoubled energy and corresponding success. A new and spacious stone edifice will be completed near the commencement of the fall session, August 22d. It is 64 feet by 44, three stories, and contains a chapel 40 feet by 45—a Laboratory—five ample Recitation rooms—an Office—a Mineralogical

room, a Library and Reading room, and a Ladies' Hall, 25 feet by 40.

Our Apparatus, Library, and Cabinet, though considerably deranged by removal, were nearly all saved from the flames.

A flourishing Literary Society is associated with the Institution which has laid the foundation to a valuable Library.

Our location is the quiet and delightful village of GOUVERNEUR. It is on a regular stage route, twenty-nine miles from Ogdensburgh, and thirty-five from Watertown. The intelligence, kindness and morality of the citizens, commend this, as *a very eligible place* for such an Institution.

The Trustees regret to say that Miss LYDIA FISKE, who commenced her labours as Preceptress with so much promise, has been forced, by ill health, to resign! They are however happy to announce, as her successor, Miss FRANCES ANN WENTWORTH, who has for some time been favorably known to the public as the assistant Teacher of the Female Department. In addition to her former opportunities, she has been for some time under the tuition of an accomplished Teacher in the ALBANY FEMALE ACADEMY, to perfect herself in the Ornamental Branches—she will return in season to commence the next Term.

To enlarge the accommodations for Students, the Trustees have purchased three considerable buildings, which will be entirely devoted to that purpose. These, with several convenient rooms which may be had in the village, and others furnished by those who Board, will accommodate a large number of Students. But it is intended to erect ANOTHER EDIFICE for Students' rooms as soon as the condition of our funds will at all justify the expense.

The friends of the School will see that very heavy expenditures have been, and will still be required to rebuild and to make adequate provisions for the future wants of the public. But experiment has already proved that THE PEOPLE, for whose benefit the Institution is erected, *will sustain us*.

General Regulations.

1st. All Students are required to rise in the morning at 5 o'clock. Signal—Ringing of the Bell.

2d. Study hours from rising to breakfast, from 9 o'clock to 12, A. M. In Summer, from 2 o'clock to 5, and from 8 to 9. In Winter, from 1 o'clock to 4, and from 7 to 9, P. M.

3d. All time intervening between study hours, may be devoted to such recreation as will promote the health, without injuring the morals of the Students.

4th. At the tolling of the Bell, fifteen minutes before 9 A. M., in Summer at 5—in Winter at 4 P. M.—all the Students assemble in the Chapel for Prayers.

5th. A gentlemanly and lady-like deportment is expected of the Students at all times.

6th. All loud talking, or unnecessary noise of any kind within the Building, in going to or returning from Recitation, will be considered a breach of order.

7th. All Students are required to attend Church twice in the day time on the Sabbath—to regard the day as sacred—and to devote it only to purposes of religious and moral improvement.

8th. No Student will leave the village to spend the Sabbath or other time with his friends, without permission from one of the Teachers.

9th. The same order will be observed by all after 9 o'clock in the evening as in study hours—the Students being expected to retire between the hours of 9 and 10.

10th. No Student will be allowed to spend time unnecessarily at the Stores, Taverns, or other places of public resort.

11th. Any Student violating any of the above regulations—guilty of disrespect to any of the Officers of the Institution—or of irregularities of any kind, will receive debt marks in proportion to the demerit of the offence ;—the first five of which will subject the delinquent to private reproof from the Principal.—The next five, to public reproof before the School. The third five, to disgrace by public announcement at the examination,—and the fourth to expulsion.

Parents and Guardians are *especially* requested not to furnish Students with "*spending money.*" It is the cheapest and safest for all concerned, to deposite the necessary funds with the Principal, or some judicious friend, to be dealt out as circumstances require.
